EDUCATION

Nankai University

Sep 2024 – Jun 2027

Master of Science in Mathematics (in progress)

- Research focus: One-Variable Complex Dynamics

Shanghai University of Finance and Economics

Sep 2020 – Jun 2024

Bachelor of Economics in Finance

- Completed 20+ courses in finance, 10+ in mathematics, and 4 in computer science
- GPA: 3.35 / 4.00, ranked top 30%, graduate admission by recommendation (exempted from entrance exam)

University of California, Berkeley

Jan 2023 – Jun 2023

Visiting Student, Berkeley Global Access (BGA)

- Courses: abstract algebra, complex analysis, functional analysis, with GPA 4.0 / 4.0

AWARDS AND HONORS

15th National Undergraduate Mathematics Competition (for math majors)

Second Prize, Shanghai

Dec 2023

13th National Undergraduate Mathematics Competition (for non-math majors)

First Prize, Shanghai

Dec 2021

National Undergraduate Mathematical Modeling Contest

Second Prize, Shanghai

Dec 2021

PROFESSIONAL EXPERIENCE

Teaching Assistant for Analysis I and III

Assisted lower-year undergraduate students with problem-solving and guidance in Mathematics Analysis; collaborated with the instructor to proofread and correct lecture notes.

MISCELLANEOUS

Languages: Mandarin Chinese (Native), English (IELTS-7.5, CET-6)

Programming: Python (main), MATLAB, Mathematica, C / C++, Latex
